

Burttschell Rescue Ranch Spay / Neuter Agreement

I understand that by signing below I am agreeing that it is my responsibility to get my new puppy/dog and or kitten/cat spayed or neutered.

*I understand to receive my spay/neuter deposit back, an adult dog or cat needs to be spayed/neutered within 90 days of adoption. A puppy or kitten under 3 months old or younger at the time of adoption should be spayed or neutered by the age of 6 months **BUT** no later than 9 months of age. My adoption date is on my adoption agreement/application that I received on the adoption date, this is my agreement date.*

*I understand the time frame **CAN** be extended **IF** documented by your veterinarian, and the document is received by **Burttschell Rescue Ranch (BRR) before the 90 days has expired for adults or within 60 days of the 9 months age for puppies or kittens**, it must be written on the veterinarians letterhead explaining why the spay or neuter delay is necessary.*

I understand that in order to receive my deposit back, I need to provide BRR a copy of the spay/neuter certificate or the dated invoice of the spay/neuter procedure within the time frame specified.

I also understand if I fail to meet the spay/neuter agreement terms, I forfeit my spay/neuter deposit and may risk having to return my adopted pet with NO adoption fee refunded.

I understand this is a legal and binding agreement and will be persued to the full extent of the law. Call BRR for where to send your documents (979-885-8417).
